

It pays to move to Sprint.

Switch today and receive a service credit for each newly activated line of service.

Our thanks for choosing Sprint

- Get service credit for each corporate-liable line you bring to Sprint.
- Up to \$175 service credit per line for select smartphones or mobile broadband devices
 - \$50 service credit per line for feature phones and Sprint Phone Connect
- With multiple lines, these can really add up.

All lines must be ported from an active line and remain active 61 days to receive full service credit. May require up to a two-year Agreement.

Act now! Offer ends 3/31/2012.

Plus, the more lines you move to Sprint, the greater the reward!

The port-in value for Smartphones and mobile broadband devices is based on the total number of lines ported within a calendar month—including feature phones.

Total number of lines ported	Service credit for feature phones	Service credit for Smartphones and mobile broadband devices
1-4	↑ \$50 ↓	\$100
5-19		\$125
20-49		\$150
50+		\$175

*Nextel iDEN services are excluded from the port-in credit

Port-in Service Credit: Offer ends: 3/31/12. Available only to eligible corporate-liable accounts. Available online, via telesales, in participating Sprint stores, and direct & indirect business channels. Purchases from other national retailers are not eligible for service credit. Requires port-in from an active wireless line/mobile number or landline/number that comes through the port process to a new line on an eligible Sprint service plan. Nextel iDEN services are excluded. Service credit request must be made at sprintportcredit.com within 72 hours from the port-in activation date or service credit will be declined. Ported new-line activation must remain active with Sprint for 61 days to receive full service credit. You should continue paying your bill while waiting for your service credit to avoid service disruption and possible credit delay. Smartphones included in this offer are BlackBerry®/Android™, Windows Mobile®, Palm®, and Instinct™ family of devices. Most other phones are considered feature phones. Calendar month is used to determine eligible number of lines ported for award tier. Port-in credit for Smartphones and mobile broadband devices based on the total number of lines ported during the calendar month (i.e., 1-4 lines \$100, 5-19 lines \$125, 20-49 lines \$150 and 50 plus lines \$175). Port-in credit for feature phones is \$50 across all tiers. Offer excludes select Smartphones, upgrades, replacements, add-a-phone/line transactions and ports made between Sprint entities or providers associated with Sprint (i.e., Virgin Mobile USA, Boost Mobile, Common Cents Mobile and Assurance), all Individual-liable, Seasonal Standby, all plans less than \$10 and special government plans (e.g., U3169, U3169H, U3169D, C1266).

Port-in Payment Expectations: Service credit will appear in adjustment summary section at account level on invoice and will appear as a "VALUED CUSTOMER SERVICE CREDIT." If the service credit does not appear on the first or second invoice following the 61st day, visit sprintportcredit.com and click on "Where's My Credit?"

May require up to a \$36 activation fee/line, credit approval and deposit. Up to \$350/line early termination fee (ETF) for advanced devices and up to \$200 ETF/line for other devices (no ETF for agreements cancelled in compliance with Sprint's Return Policy). **Other Terms:** Coverage not available everywhere. Nationwide Sprint Network reaches over 280 million people. Sprint reserves the right to modify, extend or cancel offers at any time. May not be combinable with other offers.
